

School
Is Cool

Singing with Shari:
School is Cool #1

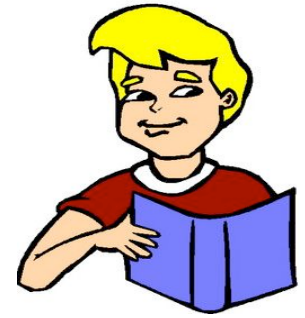

School is C

School is O-O

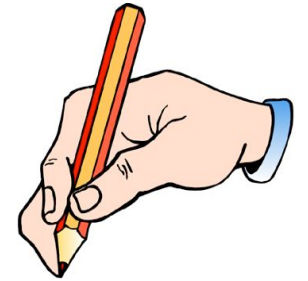

School is L

School is cool!

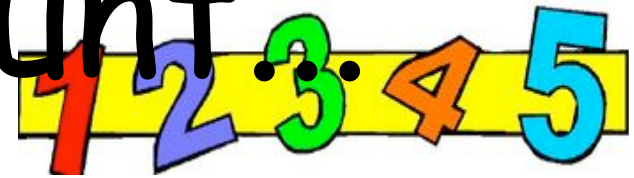

I'm learning to read

I'm learning to write

I'm learning to count

Learning is dynamite!

I'm learning the letters...

From A-Z

I'm singing new songs

Hey look at me!

School is C

School is O-O

School is L

School is cool!

I'm making new friends

This is so fun

Getting along

Together with everyone

This is my job now

School

each day

I'm getting smarter...

I listen, learn and play.

Give me a C

Give me a O-O

Give me an L

School is cool!!!
