

Two Letters That Work Together

Jack Hartmann's
Hip-Hop Alphabop cd #22

They are two letters that
work together
to help make words begin.

They are two letters that
work together and
you can call them blends.

They are two letters that
work together
to help make words begin.

They are two letters that
work together and
you can call them blends.

Here are some letters
that work together.

Repeat Chorus
